September 15, 2020

On September 15, 2020, experts from both our Aboriginal and Regulatory teams provided pragmatic and contextualized advice on a variety of critical topics, including:

- **Indigenous Hereditary and Traditional Governance Regimes:** What do these mean for project certainty?
- **Update on Significant Changes in Crown Consultation:** Recent case law on the duty to consult
- **United Nations Declaration on the Rights of Indigenous Peoples:** Recent developments, including British Columbia's UNDRIP legislation
- **Recent Trends in Regulatory and Environmental Law:** How to get projects approved in 2020/2021
- **Aboriginal Issues in Litigation:** Taking instructions from clients, framing issues, adding parties, hiring experts
- **Recent Developments in Métis Self-Governance:** Métis Self-Government & Structures and how these affect consultation

Speakers included: Tom Isaac, Jeremy Barretto, Mary Buttery, QC, Emilie Lahaie, Arend Hoekstra, Jared Enns, Viviana Berkman, and Grace Wu.
