Biography

David Kolesar* is a partner in the Banking & Specialty Finance Group at Cassels. With a practical approach informed by a long history of experience representing clients in banking and finance matters, David is skilled in both domestic and cross-border, internationally focused transactions.

David's diverse practice cover a wide range of debt financing work on behalf of both financial institutions and borrowers including acquisition finance, project financing, asset-backed loans, reserve-based lending and public and private debt securities. David also has extensive experience in non-traditional or alternative lending structures. His work spans numerous industries, including energy production and transportation, agriculture and food, construction, and private equity. David draws from his transactional experience to smoothly facilitate commercial deals through their entire life cycle.
