### Biography

Tiffany Leung (she/her) is a member of the 2024-2025 Articling Student class at Cassels. She holds a dual Bachelors of Civil Law and JD from McGill University's Faculty of Law. Prior to working at Cassels in the previous summer, Tiffany worked at a small firm where she assisted on various real estate, corporate, and litigation files.

Preceding law school, Tiffany graduated from McGill University with a Bachelor of Science, majoring in Microbiology and Immunology and minoring in Anthropology. In conjunction with her studies, Tiffany worked extensively on a microbiology project focused on novel antibiotic properties within Arctic soil microbes, which was later published in a scientific journal.

In her spare time, Tiffany travels, hikes, bikes, and climbs as much as possible, and makes it a point to discover the best ice cream joint in any city she finds herself in.
