Biography

Andrew Reback is a partner in the Business Law Group, Private Equity Group and Tax & Trusts Group at Cassels. Andrew has extensive experience in cross-border mergers and acquisitions/divestitures, domestic and international tax planning, corporate reorganizations, public offerings, financings and estate planning. He also represents clients in relation to assessments by Canada Revenue Agency and the Ministry of Finance. Andrew is frequently consulted on matters relating to the acquisition of Canadian entities by foreign corporations as well as the acquisition of foreign entities by Canadian corporations. Andrew also has substantial experience working with private equity groups. In addition to his legal practice, Andrew is an author, speaker, and is frequently quoted in the *National Post* on various tax related matters.

Andrew's experience includes having acted for:

- K1 Investment Management, LLC, a leading technology-focused private equity fund, in numerous platform and add-on acquisitions of technology companies
- Wynnchurch Capital, LLC regarding its portfolio company Limestone Holdings Corporation, a US limestone quarries and building products supplier, in its merger with natural stone producer, Polycor Holdings Inc., a portfolio company of Torquest Partners Inc.
- [NFP Corp., a leading insurance broker and consultant, in its acquisition of Dalton Timmis Insurance Group Inc.](#)
