### Biography

Ann Watterworth\* is a partner in the Business Law and Mining Groups at Cassels. Ann has a corporate practice with an emphasis on mergers and acquisitions. She frequently acts for business owners on restructuring, mergers and acquisitions and providing general corporate advice. She also regularly acts for the Canadian subsidiaries of international corporations and assists international corporations with setting up their Canadian operations. In addition, Ann advises clients on a wide range of commercial agreements including, in the mining context, option agreements, off-take agreements, joint venture agreements, drilling contracts, mining services agreements and EPCM contracts.

Ann is co-chair of, and a lecturer at, Western University's Mining Law course.

*\*denotes Professional Corporation*
