Cassels Authors Canada Chapter of the Chambers' 2024 Trademarks & Copyright Guide

Casey Chisick, Steven Kennedy, Karen MacDonald, Jessica Zagar, Sebastian Beck-Watt, Alexander De Pompa, and Steven Henderson have authored the Canada chapter of Chambers' Trademarks & Copyright guide for 2024.

The guide, part of Chambers' Global Law and Practice series, provides the latest information on:

- domestic law and international conventions/treaties as they apply to trademarks and copyright
- ownership, terms of protection and registration of rights
- authorship, collective works, and copyright management systems
- opposition, revocation, and cancellation procedures
- assignment and licensing of rights
- initiating a lawsuit
- remedies
- appeals intellectual property rights and granting procedures
