Cassels Proud to Support the Forum’s Upcoming E-Series

Cassels is proud to once again support the Forum’s E-Series, taking place on May 4 & 6, 2021.

Their E-Series is an intensive multi-day online program for self-identifying women entrepreneurs that want an all-encompassing education in business and entrepreneurship – providing the opportunity to connect with peers and attend live seminars.

This year, speakers will include Jackie Karbi, Stefanie Di Francesco, and Stephanie Roberts.
