Cassels

Cassels Proud to Support Women in Tech at Toast Summit 2026

Cassels is a proud sponsor of the Toast Summit, a premier event dedicated to uplifting and empowering women in the technology industry, which will take place on October 1, 2026 in Calgary. Hosted by Toast, a women's collective committed to advancing gender equity in tech, the Summit brings together leaders, innovators, entrepreneurs, and other professionals for a day of insightful discussions, networking opportunities, and community-building. Designed to celebrate the achievements of women across the technology sector, the event provides a platform for attendees to connect, share experiences, develop new skills, and foster meaningful professional relationships.

At Cassels, we are committed to promoting diversity and inclusion across the technology sector, and are proud to help support and empower women in this space.
